

# Green Cleaning Presenters Wanted!

Help spread the word how easy it is to clean with  
just 4 household items: Bicarbonate of Soda –  
Vinegar – Bar of Soap - Eucalyptus Oil

**LET'S GET THE WHOLE WORLD  
GREEN CLEANING!**

**Green Cleaning Presenter Packages Available  
for download:**

[www.theshoppe.com.au](http://www.theshoppe.com.au)

*"I've been running Green Cleaning Workshops since 2004 – I've put all my knowledge & experience into these packages to help spread the word about the importance and benefits of green cleaning. If you are already cleaning with vinegar or bicarb soda you are perfect for the job of encouraging others to Green Clean"*

## Your Green Cleaning Workshop Presenter Package contains the following:

- **THE FULL WORKSHOP FORMAT:** covers the complete workshop process including theory, discussion points, practical work, product-making (recipes), demonstrations, example products and items for display, break time, and list of relevant Shoppe publications (for reference) and any items for sale. (Note: Format is a suggested guide only - workshops can be adapted according to personal experience and areas of interest).
- **ADDITIONAL WORKSHOP NOTES:** Further information so that you fully understand the information presented in the workshop. Also explains the practical exercises and demonstrations.
- **COMMONLY ASKED QUESTIONS** – just in case - if asked during your workshop.
- **YOUR CONTRIBUTION:** An opportunity to document your contribution to the workshop (i.e. items you have made, skills/area of interest, practical experiences, photos and other documentation).
- **PACKING CHECK-LIST:** for all materials, utensils, display items and containers required for the workshop.
- **GREEN CLEANING RECIPE/INFORMATION SHEET:** containing recipes relevant to the workshop. Can be photocopied for sale to attendees or offered free as part of the workshop.
- **GREEN CLEANING REFERENCE CHART:** Listing Green Cleaning alternatives for common commercial cleaning products.
- **WORKSHEET:** outlining reference and e-book source for information covered in the workshop
- **PROMOTIONAL MATERIAL:** Including examples of advertising flyers to promote what you do.

**Package Price:** \$520.00

*(an investment in your future and the future of the planet)*

Includes **FREE** copy of the **Workshop Presenter Starter Pack:**  
outlines how I developed the workshops into a successful enterprise  
on a shoe-string budget. (Normal price: \$260.00)

Looking forward to working with you.
